Contributions to AmeriChem PAC are not deductible as charitable contributions for federal income tax purposes. AmeriChem PAC cannot accept contributions from corporate accounts. Contributions are entirely voluntary; you have the right to refuse to contribute without reprisal. Federal law prohibits contributions from foreign nationals unless they are green card holders. Federal law requires our best efforts to collect and report the name, mailing address, occupation and the name of employer for individuals whose contributions exceed \$200 in a calendar year.

Recurring credit card contributions will remain in effect until ACC has received written notification to cancel.
